Safety Online Simplified 4

Sharing pictures: Using devices like phones and tablets to share pictures and videos can be a great way for children to have fun and stay in touch with friends and family. It's really important your child knows what's ok to share online and what they should check with you first.

We recommend reading '[Younger children sharing pictures or videos online](#)' for more information on the risks and how to support safer sharing.

Contacting Your Child's Teacher: A reminder that if you have any concerns or questions, your child's class teacher is the first person to speak to. Our teachers are happy to talk with you about your child. If you would like to speak to them please make an appointment via the school office. Teachers are not available first thing in the morning or immediately after school because they are busy ensuring the safety of your children as they arrive and leave. Please do not enter the school through the classroom doors but enter via the office. Thank you.

Nearly New Summer Uniform We have quite a lot of blue check Summer uniform dresses in our nearly new stock so we will have a nearly new sale early next term.
